Premier MFA Device Print Guide

Unison Bank has implemented an additional layer of security to our Online Banking product. This helps ensure that your information is protected from fraud and identity theft. The following information is provided to guide you through the Enrollment and Log In processes.

ENROLLING

1. Enter your Access ID and click LOG IN.
2. Enter your current password and click SUBMIT.
3. When the enrollment window appears.
 - a) Enter or confirm your e-mail address.
 - b) Enter a phrase to identify the authentication image. *
 - c) Choose and answer 3 challenge questions.
 - d) Select whether you are logging in with your personal computer, or a public computer.**
4. Click SUBMIT.

*When logged in you may change your image and phrase by choosing Options, then Security Data Information.

**Only register personal computers that you frequently use and are not for public use.

The screenshot shows the 'Enrollment' window with the following sections:

- Information:** 'Enter your e-mail address:' and 'Confirm your e-mail address:' both with the input 'me@web.net'.
- Image and Phrase:** 'Your Authentication image:' shows a coin image. 'Your Authentication pass phrase:' has the input 'Old Coin'.
- Challenge Questions and Answers:**
 - Challenge question 1: 'Name of first pet?' with answer 'Spot'.
 - Challenge question 2: 'Your favorite movie?' with answer 'The English Patient'.
 - Challenge question 3: 'Your favorite book?' with answer 'To Kill a Mockingbird'.
- Select one of the following options:** Two radio buttons: 'This is a personal computer. Register it.' (selected) and 'This is a public computer. Don't register it.'.
- A 'Submit' button at the bottom.

LOGGING IN TO A REGISTERED COMPUTER

1. Enter your Access ID and click LOG IN.
2. You should now see your image & pass phrase. **Verify they are correct. If the authentication image and pass phrase do not match. Try to login again or give us a call. DO NOT ENTER YOUR PASSWORD!**
3. If image & pass phrase are correct, enter your password and click SUBMIT.

The screenshot shows the 'Log In' window with the following fields:

- 'Access ID:' with the input 'MyAccessID123'.
- A 'Submit' button.

The screenshot shows the 'Log In' window with the following fields:

- 'Authentication image:' showing a coin image with the label 'Old Coin' below it.
- 'Password:' with the input 'MyPassword456'.
- A 'Submit' button.

Now you're logged in to Online Banking securely.

LOGGING IN FROM OTHER COMPUTERS

1. Enter your Access ID and click LOG IN.

If your computer is not recognized by the system, you'll be prompted to select a security challenge of E-Mail One Time Passcode or Answer Challenge Question.

E-Mail One Time Password

- a. Check your email to retrieve the One Time Passcode.
- b. Type the One Time Passcode into the security challenge screen.
- c. Select whether you are logging in with your personal computer, or a public computer.*

*Only register computers that you frequently use and are not for public use.

Answer Challenge Questions

- a. Answer your challenge question.
- b. Select public or personal computer.*
- c. Click SUBMIT
- d. Verify Authentication Image.
- e. Enter password.
- f. Click Submit.
